**Re: Earthquake in Italy**

Dear President Rocca:

We have learned that a powerful earthquake of magnitude 6.2 hit Italy on August 24<sup>th</sup> and has brought major destruction to cities in the central part of Italy. We would like to offer our condolences to the bereaved that lost their loved ones in the quake, and sincerely hope that the affected people can be sheltered and receive good care.

We are aware that your Society has mounted swift rescue and medical operations to minimize the casualties of the disaster, and local volunteers are on the ground providing support for survivors. Please do not hesitate to let us know if any assistance is required. Our hearts go out with you in this difficult time.

Yours Sincerely,

  
Ching-Feng Wang  
President  
Taiwan Red Cross
